Milka,

To get a handle on the EPA's thinking concerning used oil, the best place is the preamble to the original rule from when it was promulgated. Go here and search for "specification" and "hazardous waste" for details:

<http://www.epa.gov/epaoswer/hazwaste/usedoil/fr/fr091092.txt> .

Also attached is the training module used for the RCRA hotline.

Thank you, Milka. I certainly appreciated the opportunity to provide input for your review.

Looks good to me. I've passed it around for a last chance internal review. One of my guys is gone until Monday, but I don't foresee any more changes. Are we to use the e-mailed version to sign as the official acceptance, or will you be forwarding a letterhead copy for us to sign?

Do we need to change anything else?
